All I can picture right now is a cum drenched duvet cover... I'm a genuine artist myself – and a dirty fucker! Interesting! Deffo one in the eye of same sex marriage being a pale imitation of the conventional. Sex always is (an interesting journey)... or at least, it can be if you let it. I'd definitely like to fuck you both. Ok, it's a deal. I like my guys to be pretty sub, do as they're told – any use to you? Ok, let's see how it pans out? (Do you mind another guy being here?) Is he fit? ... no, the more merrier. But is he Dom/Sub/Neither? Always good to understand the dynamic beforehand. Yeah, leaving soon. I think I know your place... Used to call it the Temple, where you could always get a dark and anonymous bj. Great. Thank you gentlemen, just got home. It'd be great to meet up again socially or sexually. I'm genuinely intrigued by your project and would like to hear what you've got from it so far – or growl over your sweet arses again! **17.** Hi. Where are you? Je peux venir? Yes. Not alone? Had a major prob at work today. See the ad is up again today. What time u free? I'm in the west end now. I'm currently in short meeting in Regent st. Should be finish by 1:15pm then can head over. 😊 Ok cool. 10 mins. from now. Hi guys, Sorry I was a bit nervous today. If u run short of guys for your project I am happy to make another

donation :) Bit cheeky I know but if you don't ask you don't get. Happy days and cheers for the experience. U r 2 nice guys **93**. I would love to contribute – I am slim straight white, 32, 6ft tall, 32 inch waist and a good 6-7 inch uncut cock – and I would love to come over and make my mark – I have brown hair blue eyes and a big beard and am an artist myself. I am free today and would look to have my cock sucked or even just a handjob onto your bed – am I suitable? All things considered probably mid afternoon today could work perfectly for me - how about you guys? I found a picture, please find it attached - and the idea of a four hand handjob is already making my cock twitch, if you have poppers that would be incredible if not then no worries. I should also be clear I love the idea of your duvet but obviously for my gf's sake I must ask about discretion and privacy as I do not want to hurt her - this is just my naughty side being let out every so often. So shall we meet this afternoon - I can cycle over to you. All sounds good - am up for jumping in the shower quickly - well today I should be finished with the majority of my work by 3, so anytime after that up until nine if not then I am pretty much flexible for tomorrow. I definitely could indeed - I look forward to having all your hands on my cock - where am I coming to? also do you have any poppers? It sounds perfect - I am looking forward to it already - I will soap myself up and then leave myself to your hands. That was amazing and thank you to both of you so much, I hope the next third are ok, I look forward to seeing it finished and send the invite to this address should be fine, enjoy! **94**. Hi. Looking for now? Fine with me. I'm free for the next 30 mins. Before work meeting. Or can do afterwards. Around 5:30. Address? Door number? Both of you there? Do I get to fuck u? See you in 5. Have to be quick and leave by 4:15. **95**. Hi. Horny and you? Well sounds cool. Where? Can come. Yes. Cool. **96**. An art project? How fascinating. Tell me more... Sounds good to me. I am not out, v. discreet. Top only. Safe only. Clean. I don't kiss, I don't suck back. I don't bottom. I only top and only safely. When can I come over? I'm local by the way. Just by Warren st. so can be there fairly easily. Tomorrow it is. I don't finish work until 6:30pm. If you change yr mind tonight, I can still come. How far off yr target of 144? Hehe. If you're off to Brighton, you might reach 144 by Sat. morning. Sunday is good. If you change yr minds tonight.. I'm not far. Hehe. Who is online out of the two of you? Sunday is good. I am v. discreet, not out, and safe only. Don't do drugs or any chemicals – hope that's ok. V. good. Sounds like a v. horny project. You got others booked in? 8pm is good. I could come by, have a session and leave... How does it work? I come in. Fuck you both one by one and leave?

You have condoms/lube etc? Or you going to suck me and I come whenever required? Well I think I'll walk – so will be there in about 25 mins. (8:05) Cool? Hot. Ok en route. I'm clean. Checking you are too? Thank you for having me. I had a lovely time indeed. Best of luck with your project and I hope I didn't make a mess. You're welcome. Although I was probably a little shy for my first ever 3sum. Thank again and good luck with the wedding. **97.** Hey there. I'm fine thanks. Very curious about your project. How are you? Sounds awesome. Lol. What do I need to do? Yes, but I'm more into oral right now. What do you think? Coming! Just to be sure. What you want is to suck me, I'll cum and go? Ok. I'll be there in two minutes. This is my phone number xxxx. Would be nice if you can let me know whenever the showing is ready. Cheers. **98.** Alright mate ☺ Up for some fun? You free? Been a while ☺ You free now? Yeah! By the Toucan? I was going to come a few weeks ago. I work on the corner of Newman st and Oxford st. So I can always come tomorrow or the day after if you are busy? ☺ Perhaps that is better? Don't want to be a pain! **99.** Top here. Hot! I'm interested! Where are you? Any more pics? Do you kiss? Guh my cock can't wait that long... 😊 lol Hey after getting milked do you guys wanna keep in touch? Y'all seem nice. And I'm in need of friends. Well you guys seem great. What else do you do? Maybe jockstrap orgy movie night? 😊 Eh a little extra saltiness on popcorn never hurt anyone. That sounds gross! Shudder...It's difficult for me sometimes. Condoms kind of keep me from feeling a lot. So rather than bb, I just bottom. Awesome! Right now I just need a release. I think I am close by. That was fun and I wanna hang out some more 😊 Facebook? Sure! Have y'all gone through my fb yet? Just curious... 😊 **114**. Love the sound of the art project. Always happy to be involved in art... 😊 Pls let me know more. Haha Sounds great!!! Absolutely!!! What number are you up to so far? Hehe How many so far? I'd better hurry ☺ Any more pics of you guys? Thanks, you guys are good looking too. Lol I bet you love asking that ☺ And sure, why not? I guessed at the 'gross' ☺ Tonight? Sure I work in Covent Garden and head through Soho on my way home. I will come find you shortly. ☺ I rarely do hookups but I liked your style and openness. **129**. Interesting project. I'd like to contribute. Sounds fun. I come a lot too... lol In 15 mins? I'd like to (fuck). I'll text when I am close by. **130**. Hi man. How are you? Sounds fun. I would like to help. Later maybe? Ok, let's talk tomorrow. Haha thanks, there are multiple opinions about my pictures. You'll

get to see in person and then decide which is better. (My screenname) is a silly word I made up when I was thinking which nickname should I have. Yes, but it's funny. I'm looking forward to it. I'm more top but lately I really like sucking as well. I would like to suck it also. If I have seen your message before I would ask you to meet tonight, I'm quite horny. Hey! It was great to meet you today. I had a really good time and also found you very nice. Looking forward to seeing the expo. Take care! **131.** Hey. You're vv close by. Hot lads!! I'm in the square and free now. Totally into making a splash! I'm an xxxl top. Yeah, ok. Where u at? Now? Ok. **132.** Haha Hey! I'm good thanks. And you? So this project...? ☺ Ah you're pretty close. Do I qualify? Haha. Just in Soho doing some work. If it calls for it. Hehehe I finish whenever I want. Hahaha Shall we make it 6pm? Sounds like fun. On my way. Hey earlier was a really hospitable experience ☺ and I really enjoyed it. Hope you both managed to get to the show on time! **133.** Your art project sounds intriguing. Now? Haha it's been a while since I've cum. Whereabouts are you? (Do you mind another top coming?) What's he like? Would make it hotter! Is fucking compulsory or can I watch and cum over you and the duvet? ARGH fuck phone is nearly out. What's the address? Is not fucking ok? I like being watched stripping and wanking **134.** Hi there. Yes, we've talked before but u guys were off on holiday. You run SweatBox. I'm ur best customer. I use the gym 5 days a week, in fact I'm working out right now. Lol I will come now. Address? Cool. See you in 15. Thanks guys, it was exactly wot I needed too. Was lovely to get to know u both. See u again soon. Xx **135.** Sounds good man. When are you available? I will be free in 20 mins. Where are you? Ok. I'm sure I will need help from you to cum. Cool. See you soon **136.** Cool. I'm def up for it. I don't finish work until 6 and then have to be somewhere at 6:45. Suppose I don't need long. I could be there at 6? Cool. What's the address? See you in about 30 mins. On my way. Hi. Was fun to be involved in your project. Send me an invite. **137.** Would love to contribute to art ☺ Sounds very very very exciting and congrats on the wedding! Quick question, do you kiss? Or that's not part of the deal? Ok, the more the merrier. See you soon. **138.** Hi nice idea. I'm interested. Let me know when I can come. Perfect. Address? Where will the duvet be hung? I love this idea. And I have a friend who is a twink but also a top. He would love to come also. This is my mate. Is 5pm still good, so I can tell my friend? Ok, but please let me know as I have planned meetings and I need to make an adjustment to meet you guys and I'm eager to do so. Nice to meet you both. **139.** Both my friend, xxxx and myself are clean and will be freshly presented for

you both to suck and bottom for us. My mate is also horny to try this. You don't mind that I'm a twink he's a bear? We love it when a bottom moans. Safe play? U have condoms? Of course we will shoot our loads on the duvet. I can bring condoms if you want? My mate is so horny to try this. We do that yes. It's strange because we don't kiss as friends normally, but when we share a guy we do kiss. I've never done a DP. That would be a first for us. **140.** Hey guys. What u up to? Two of us here. Just walking around. You guys looking for anything? Yeah, would love to top you guys. When and where? Just around the corner, so perfect! You guys are well prepared. 😊 Perfect. Looking forward to fucking you both. Xx On our way. Hey guys, let's stay in touch as maybe we can grab lunch of dinner sometime. We would love to attend the gallery event too. **141. CAME WITH HIS PARTNER, #140.** **142.** Hi. Fun? Where r u? Now? Yea. I'm really hard. U guys kiss? Sweet. Poppers? Ok sweet. See you soon. **143.** Hey. Good... Horny? Interesting. Thanks. Only free for the next hour. Where are u? Thanks boys... that was great fun. Merry Christmas. Hope you have a good one. It would be great to catch up with you both when you get back. **144.** Got a little bit more info on this project? Well, firstly congrats on the marriage. 😊 Secondly, I'm curious, how many guys have come by so far? Ah the day's rapidly approaching, that's awesome! Haha well then. Count me in. 😊 Wait, are you saying 143 just to get me to fuck you guys? 😊 What time? I'll let you know tomorrow morning if 2pm is fine. This feels strange, being guy number 144. Pleasure to meet you Mark (and Jason) I'll send you a whatsapp in a bit. Okay, my curiosity returned. Were you attracted to the 143 who came before me? Or was it just anybody, anywhere? Good answer. I cum a rather large load, so it might be good that I stopped by! Ah, that's pretty awesome. I assume you have a list of all the guys who've helped? Yeah, when I say large load, that isn't to be taken lightly. That's rather nice of you tow. 😊 I'm glad. What a weird and wonderful project. That's good to hear. How was the project thought up? Now that I think about it, you had to average nearly 3 meets every week to hit the 1 year deadline. That's quite a task. 😊 Aha imaginative. Ah I see, has it been longer than a year? Glad you're healing. Oh, that's more reasonable. Just averaging under 2 guys a week. Haha, Well I'm a full top, so this might be fun. I usually play with guys my age, just prefer it that way. I do meet older guys, but platonically. But I liked the sound of this. Haha I assum there was a group meet in there somewhere? Oooh, that sounds interesting. What are the most interesting encounters? Curiosity is getting the best of me again. Now that sounds like fun! About 10mins away.

Really enjoyed it. ☺ If I come again, I'll wear lighter clothing on my way there! If I don't see you guys before the wedding/honeymoon, have a lovely one!
